NEWS RELEASE **August 10, 2026**

LibertyStream Appoints Lisa Paulk Bohls, CPA, to Board of Directors

Dallas, Texas – *LibertyStream Infrastructure Partners Inc.* (TSXV: LIB | OTCQB: VLTLF | FSE: I2D) ("**LibertyStream**" or the "**Company**") is pleased to announce the appointment of Lisa Paulk Bohls, CPA, to its Board of Directors (the "Board"), effective **August 7, 2026**.

Ms. Bohls is a Houston-based Texas Certified Public Accountant and finance executive with more than 26 years of experience spanning public-company auditing and reporting, internal controls, governance and strategic growth. She is Co-Founder and Chief Strategy Officer of BGL Advisors and previously spent nearly 15 years with The Siegfried Group, rising to Senior Vice President and National Managing Director.

Earlier in her career with Ernst & Young and Arthur Andersen, Ms. Bohls worked with public companies on financial-statement audits, SEC reporting and Sarbanes-Oxley Section 404 internal-control matters. She has also held board and fiduciary leadership roles with the Texas Society of Certified Public Accountants.

Ms. Bohls' appointment strengthens the Board's public-company reporting, governance and organizational-scaling capabilities as LibertyStream advances its Texas operations and builds the corporate infrastructure supporting its next stage of growth.

Concurrent with Ms. Bohls' appointment, Warner Uhl and Kyle Hookey have retired from the Board, effective August 7, 2026. The Company thanks Messrs. Uhl and Hookey for their leadership, counsel and years of service, including their contributions through several significant stages of LibertyStream's development.

In connection with her appointment, the Board has approved the grant of 500,000 restricted share units ("RSUs") to Ms. Bohls. The RSUs are to vest twelve-months following the grant date on August 7, 2027 and are subject to the terms of the Company's Amended and Restated Omnibus Security Based Incentive Plan (the "Plan").

All RSUs are approved to be granted pursuant to the Plan and are subject to the terms of the Plan, the applicable grant agreements and the requirements of the TSX Venture Exchange.

About LibertyStream Infrastructure Partners

LibertyStream is a lithium development and technology company aiming to be one of North America's first commercial producers of lithium carbonate from oilfield brine. Our strategy is to generate value for shareholders by leveraging management's hydrocarbon experience to deploy our proprietary DLE technology directly into existing oil and gas infrastructure, thereby reducing capital costs, lowering risks and supporting the world's clean energy transition. We are committed to operating efficiently and with transparency across all areas of the business staying sharply focused on creating long-term, sustainable shareholder value. Investors and/or other interested parties may sign up for updates about the Company's continued progress on its website: https://LibertyStream.com/.
