NEWS RELEASE **October 9, 2026**

LibertyStream Updates Shareholder Meeting Timing

Dallas, Texas – *LibertyStream Infrastructure Partners Inc.* (TSXV: LIB | OTCQB: VLTLF | FSE: I2D) ("**LibertyStream**" or the "**Company**") announces the postponement of its annual and special meeting of shareholders, originally scheduled for October 15, 2026, to a date to be determined, which is expected to be in the second half of November 2026.

The revised timing is intended to accommodate business updates of the Company and provide shareholders with an opportunity to consider those updates ahead of the meeting.

The Company will announce the confirmed meeting date, set a new record date and distribute revised meeting materials to shareholders in accordance with applicable securities laws.

About LibertyStream Infrastructure Partners

LibertyStream is a lithium development and technology company aiming to be one of North America's first commercial producers of lithium carbonate from oilfield brine. Our strategy is to generate value for shareholders by leveraging management's hydrocarbon experience to deploy our proprietary DLE technology directly into existing oil and gas infrastructure, thereby reducing capital costs, lowering risks and supporting the world's clean energy transition. We are committed to operating efficiently and with transparency across all areas of the business staying sharply focused on creating long-term, sustainable shareholder value. Forward-Looking Information

This news release contains certain “forward-looking statements” and “forward-looking information” within the meaning of applicable Canadian securities laws, collectively referred to herein as “forward-looking information.” Forward-looking information includes statements other than statements of historical fact and may be identified by words such as “anticipate,” “believe,” “estimate,” “expect,” “target,” “plan,” “forecast,” “may,” “will,” “would,” “could,” “schedule” and similar words or expressions.

Forward-looking information in this news release includes, without limitation, statements regarding: the anticipated timing of the postponed meeting and the expected alignment of the timing of the meeting with the Company’s ongoing business activities and preparations for its proposed U.S. exchange listing.

Forward-looking information is based on assumptions considered reasonable by management as of the date of this news release, including assumptions regarding: the Company’s ongoing business activities and anticipated timelines in relation thereto; and the Company’s preparations for its proposed U.S. listing.

Forward-looking information is subject to known and unknown risks, uncertainties and other factors that could cause actual results to differ materially from those expressed or implied. Such risks include, without limitation: equipment failure, maintenance requirements or operating interruptions; failure to continue meeting product or customer specifications; delays or unsuccessful outcomes in customer evaluation and qualification; inability to secure additional customers, purchase orders or commercial agreements; counterparty default or non-performance; construction, supply-chain, financing, permitting or commissioning delays; risks related to the Company’s proposed U.S. exchange listing; changes in lithium carbonate prices or customer demand; and the risk that the Company’s technology cannot be scaled or operated commercially as anticipated.

Additional risks and uncertainties are described in the Company’s most recent public disclosure documents filed under its issuer profile on SEDAR+. Readers should not place undue reliance on forward-looking information. The Company undertakes no obligation to revise or update forward-looking information to reflect future results, events or developments, except as required by applicable law.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this news release.
